

Terms of Use

Effective 20 October 2026 - polynyx.com

These Terms of Use (the "Terms") govern your access to and use of Polynyx, a prediction-market analytics platform operated by ArrowBow Software Solutions Ltd., a company incorporated in the British Virgin Islands with its registered office at ABM Corporate Services, Ltd, 1st Floor, Columbus Centre, P.O. Box 2283, Road Town, Tortola VG1110, British Virgin Islands ("ArrowBow", "we", "us" or "our"). By accessing or using Polynyx (the "Service"), you agree to be bound by these Terms. If you do not agree, do not use the Service.

1. The Service

Polynyx provides analytics, data visualisations, rankings, signals and research tools built on publicly available information about prediction markets and on-chain activity, including data relating to Polymarket. The Service is an informational and analytical tool only.

We are not a broker, dealer, exchange, wallet provider, custodian, money transmitter or investment adviser. We do not accept deposits, hold customer funds, execute trades on your behalf or take custody of any assets. Any trading you choose to do happens on third-party platforms, under those platforms' own terms, entirely at your own risk.

2. No investment, financial or legal advice

Nothing on Polynyx is, or should be construed as, investment, financial, trading, legal, tax or other professional advice, a recommendation, or a solicitation or offer to buy or sell any asset. Scores, signals, model picks, probabilities and rankings are statistical estimates derived from historical and on-chain data; they are frequently wrong and are not predictions of future results.

Prediction markets and crypto-assets are volatile and high-risk, and you can lose some or all of the money you commit to them. You are solely responsible for your own decisions and for evaluating the merits and risks of any transaction. You should obtain independent professional advice before acting.

3. Eligibility

You must be at least 18 years old and have the legal capacity to enter into these Terms to use the Service.

You are responsible for ensuring that your access to and use of the Service, and any activity you undertake on third-party platforms, is lawful in your jurisdiction. The Service is not offered to, and may not be used by, any person in a jurisdiction where doing so would be unlawful, or by any person subject to applicable sanctions. We may restrict access from particular jurisdictions at our discretion.

4. Accounts and sign-in

Some features require an account. You may sign in using a supported third-party identity provider (such as Google) or by connecting and cryptographically verifying a self-custodial wallet. You are responsible for safeguarding your login method, your wallet and its keys, and for all activity under your account.

Connecting a wallet for sign-in or for portfolio tracking does not grant us the ability to move your funds or transact on your behalf. You agree to provide accurate information and to keep it current, and to notify us promptly of any unauthorised use of your account.

5. Premium subscriptions, billing and refunds

Certain features are available only under a paid "Premium" plan. Prices, billing periods and included features are described at the point of purchase and may change prospectively. Paid plans are billed through our third-party payment processors (including Stripe for card payments) or paid in crypto-assets, as offered at checkout.

Unless stated otherwise, subscriptions renew automatically at the end of each billing period at the then-current price until cancelled. You may cancel at any time, effective at the end of the current paid period; cancellation stops future renewals but does not retroactively refund the current period.

Except where required by law, payments are non-refundable and crypto-asset payments are final and irreversible. We may change prices, introduce or withdraw plans, and start, modify or discontinue promotions at any time.

6. Acceptable use

You agree not to: (a) use the Service for any unlawful purpose or in breach of these Terms; (b) scrape, harvest, mirror, resell or redistribute the Service or its data except as expressly permitted; (c) access the Service through automated means or at a volume that burdens our infrastructure, or circumvent any rate-limiting, access control or paywall; (d) reverse engineer, decompile or attempt to derive source code, except to the extent this restriction is prohibited by law; (e) interfere with or disrupt the integrity or performance of the Service; (f) upload malicious code or attempt to gain unauthorised access to any system or account; or (g) misrepresent the Service's output as advice, or use it to mislead others.

We may suspend, rate-limit or terminate access that we reasonably believe violates these Terms or threatens the Service or other users.

7. Third-party data and services

The Service aggregates and presents data from third-party sources, including public blockchains and prediction-market platforms such as Polymarket, and relies on third-party providers for hosting, payments, email and analytics. We do not control these sources and services and are not responsible for their accuracy, availability, completeness or conduct.

Polynyx is an independent product and is not endorsed by, affiliated with, or operated by Polymarket or any other third-party platform referenced in the Service. All third-party names and marks are the property of their respective owners.

8. Intellectual property

The Service, including its software, design, text, graphics, compilations, models and derived scores and signals (but excluding underlying public data), is owned by ArrowBow or its licensors and is protected by intellectual-property laws. Subject to these Terms, we grant you a limited, revocable, non-exclusive, non-transferable licence to access and use the Service for your own personal, non-commercial purposes.

You retain any rights in content you submit. You grant us a worldwide, royalty-free licence to host and process such content as needed to operate the Service.

9. Disclaimers

THE SERVICE AND ALL DATA, SCORES, SIGNALS AND MATERIALS ARE PROVIDED "AS IS" AND "AS AVAILABLE", WITHOUT WARRANTIES OF ANY KIND, WHETHER EXPRESS, IMPLIED OR STATUTORY, INCLUDING IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, ACCURACY AND NON-INFRINGEMENT.

We do not warrant that the Service will be uninterrupted, timely, secure or error-free, that data will be accurate or complete, or that any result, score or signal will be reliable or achieve any outcome. You use the Service at your own risk.

10. Limitation of liability

TO THE MAXIMUM EXTENT PERMITTED BY LAW, ARROWBOW AND ITS OFFICERS, DIRECTORS, EMPLOYEES AND AGENTS WILL NOT BE LIABLE FOR ANY INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL, EXEMPLARY OR PUNITIVE DAMAGES, OR FOR ANY LOSS OF PROFITS, REVENUE, DATA, GOODWILL OR TRADING LOSSES, ARISING OUT OF OR RELATING TO THE SERVICE, WHETHER IN CONTRACT, TORT OR OTHERWISE, EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

TO THE MAXIMUM EXTENT PERMITTED BY LAW, OUR TOTAL AGGREGATE LIABILITY FOR ALL CLAIMS RELATING TO THE SERVICE WILL NOT EXCEED THE GREATER OF (A) THE AMOUNTS YOU PAID US FOR THE SERVICE IN THE THREE MONTHS BEFORE THE EVENT GIVING RISE TO THE LIABILITY, OR (B) USD 100.

11. Indemnification

You agree to indemnify and hold harmless ArrowBow and its officers, directors, employees and agents from and against any claims, liabilities, damages, losses and expenses (including reasonable legal fees) arising out of or related to your use of the Service, your breach of these Terms, or your violation of any law or the rights of any third party.

12. Changes, suspension and termination

We may modify, suspend or discontinue the Service, or any part of it, at any time. We may update these Terms from time to time; material changes take effect when we post the updated Terms and update the effective date, and your continued use after that constitutes acceptance.

We may suspend or terminate your access at any time, with or without notice, for any reason, including a breach of these Terms. Sections that by their nature should survive termination (including ownership, disclaimers, limitation of liability, indemnification and governing law) survive.

13. Governing law and disputes

These Terms and any dispute arising out of or in connection with them or the Service are governed by the laws of the British Virgin Islands, without regard to conflict-of-laws principles. You agree to submit to the exclusive jurisdiction of the courts of the British Virgin Islands, subject to any mandatory consumer-protection rights you may have in your place of residence.

Any claim must be brought within one year after it arises, to the extent permitted by law.

14. General

These Terms are the entire agreement between you and ArrowBow regarding the Service and supersede any prior agreements. If any provision is held unenforceable, the remaining provisions remain in effect. Our failure to enforce a provision is not a waiver. You may not assign these Terms without our consent; we may assign them in connection with a merger, acquisition or sale of assets.

15. Contact

Questions about these Terms can be sent to legal@polynyx.com, or by post to ArrowBow Software Solutions Ltd. at its registered office above.
